

```
src/platform/unix/semaphore  
/posix.c
```

The diagram consists of two rectangular boxes. The top box is shaded gray and contains the text 'src/platform/unix/semaphore' on the first line and '/posix.c' on the second line. The bottom box is white and contains the text 'src/platform/unix/semaphore.c'. A blue arrow points vertically from the bottom box to the top box, indicating a relationship or transformation between the two paths.
